

Dear Sparks Community Business,

The Sparks Elementary School PTA is beginning its 2011-2012 "Every Spark" fundraising effort. As every Sparks student directly benefits from PTA sponsored activities, we are hopeful that your business will consider supporting us as well.

Each dollar we raise directly affects our children, teachers and classrooms. For example, we fund cultural assemblies, supply teachers with discretionary classroom dollars, support the Science Fair, and sponsor fun, extra-curricular social activities for our children and the community at large.

Every business making a tax free contribution will receive an advertisement in the Sparks family directory. This directory is distributed, free of charge, to over 400 Sparks families! Will you please consider helping us?

The prices for business ads are as follows:

**Business card** - \$25  
**Half page** - \$50  
**Full page** - \$100

Sincerely,

Stacey Krotee
