Sparks Scientists are Exploding with Creativity

The Science Fair will be held on Thursday, February 26th in the Sparks gymnasium. Students will need to bring their projects and check in at the Science Fair table that morning. Families are invited to school that evening to view the students' projects and to attend a brief award ceremony. As a reminder, all 5th graders must submit a project to be judged. If you need more information, entry forms or some terrific project ideas, please go to the Sparks website (<http://sparkses.bcps.org>) and click on the Science Fair Information link.

Also, we desperately need judges!

If you have a scientific background or have a particular interest in science please email Pokey Fair at efair@bcps.org. We would need your participation from 9:00am until 12:00pm on February 26th to hear the students present their projects.

Sparks canned food drive to benefit the Hereford Food Bank

In conjunction with the Hula for Hopkins, the Sparks PTA is organizing a canned food drive to help support the Hereford Food Bank. Donations will be accepted from February 17th through the 20th in a specially marked bin in the Sparks school lobby. Families can also bring donations to the Hula for Hopkins on February 20 at 7:15 pm. Suggested items for donations are: canned goods, laundry and dish detergent (no jumbo sizes please), paper towels and toilet paper. Your donations will be most appreciated!

Stretch your donation with matching gifts!

UPS, T. Rowe Price, Black & Decker, FedEx and many other companies actually match your direct donation, dollar for dollar—some companies will even triple your contribution! If you work for one of these companies, or for another organization that offers matching gifts, please contact Diane Bedwell, Direct Donation Chair, at djbcookie@comcast.net or at 410.917.8656. She'll do the work, and Sparks wins!
